VENISIO COMPACT CITY

Extra-flat tileable shower drain equipped with a silicone membrane. An economical solution for bathroom renovation in the tightest of spaces!

PERFORMANCES

ULTRA COMPACT

Extra-flat tileable shower drain.

NO SMELLS

Silicone membrane replaces the water trap and blocks the rise of odours.

EASY CLEANING

Membrane and hair filter are removable and accessible from above.

HIGH FLOW RATE

32 L/min under 20 mm of water.

STYLISH DESIGN

Brushed stainless steel grid, height adjustable up to 16 mm with the spacer.
